Dear Mrs. Morrison and the Membership of the Carbondale Women's Club:

Thank you for becoming a member of the Carbondale Historical Society. The Committee to Restore Carbondale City Hall and the Carbondale Historical Society have merged, and the memberships of both organizations are working together to preserve and protect Carbondale's irreplacable architectural and cultural heritage.

The biweekly meetings of the Society are held in the Society's room in Carbondale City Hall, the tower room on the third floor. The Society will present an illustrated lecture on the Delaware and Hudson Canal Company's Gravity Railroad from Carbondale to Honesdale on February 17, 1983, at 7:30 P.M., in Marian Hall at Saint Joseph's Hospital. On February 20, 1983, the Society's room in Carbondale City Hall will be officially opened to the public with an exhibition of the winning photographs of the 1982 Metro Photography Contest. The opening will take place between 2 and 5 P.M. I hope that you will be able to attend these events, as well as the other meetings and events that are sponsored by the Society throughout the year.

Sincerely yours,

S. Robert Powell
